

## **SWC # 369, Household Linens and Rags Specifications**

The Statewide contract(s) for household linens and rags are essential to the State and Authorized Users performing daily duties and providing services to the public. Contractors are expected to deliver quality products in a timely manner and regularly communicate with Authorized Users to ensure that needs are adequately met.

### **I. Scope of Contract:**

The purpose of this contract is to supply the State and Authorized Users with household linens and rags.

Unit price bids are requested on products or services that equal or exceed the specifications listed. The absence of detailed specifications or descriptions shall be recognized as meaning that only the best commercial practices are to prevail and that only first quality materials and workmanship are to be used. Respondents **must** submit descriptive literature and technical specifications (from the manufacturer) covering the product(s) offered, for bid evaluation. Reference to literature submitted previously will not satisfy this requirement. Respondent may provide a copy of the product specification from the manufacturer's website or a direct link to the exact product for which it is bidding.

The State may request samples of the products listed below for evaluation and testing. Samples provided shall be identical to the products identified in the response. If the State requests samples, respondents must provide the samples, at no cost to the State, to the Central Procurement Office within ten (10) calendar days of the request. Please refer to the Samples section on page 2 of the Terms and Conditions for more information.

All goods identified in the response must be new, of current manufacturer production, and must have been formally announced by the manufacturer or provider of services as being commercially available as of the date of response opening. Please refer to the Models Included in Response section on page 4 of the Terms and Conditions for more information.

All items must be delivered within approximately 30 days after receipt of a purchase order.
